CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Local Swimmers Enter County Meet

Winners of Western Palm Beach County elimination contests in the South Florida Junior Olympics will travel to Lake Worth Saturday to participate in the Palm Beach County finals to be held in the Lake Worth Casino pool at 10 a. m., according to Coach William D. Howard, who conducted the elimination swimming contests at the Pahokee pool Saturday with the assistance of Coach Leland Keene.

Contestants from the Glades in the midget division (10 years and under) will include Yvonne Thompson (three events), Freddy Hickerson (three events), Linda Clause (two events), John Bacon (two events), Albert Oyster, Robert Boe, Edward Fountain, Judy Canipe, Fatsy Keene, and Linda Hand; junior division, David Fountain; intermediate division, Wayne Elliott (three events) and Lora Rockwell.

This is the first time swimmers from this area have taken part in a County swimming contest of this kind, according to Howard, who expects his midget swimmers to give the East Coast kids some keen competition.

Dulanys Honored On Return Home

Mr. and Mrs. John A. Dulany and son, Philip, were honored upon their return from a summer vacation at an outdoor party and fish fry given by Mr. and Mrs. Duncan Padgett and family on the patio of their home on East Main St. The Dulanys spent a month with relatives in Oklahoma, Kansas and Colorado and visited Mr. and Mrs. B. S. Waring and family in Madison, Fla., en route home.

Other attending the party were Mr. and Mrs. Sydney K. Smith, Sr., Mr. and Mrs. Sydney K. Smith, Jr., and children, and Mr. and Mrs. Milton Carpenter and baby, all of Belle Glade; Mr. and Mrs. O. D. Carpenter and daughter, Miss Carol Carpenter, and Mr. and Mrs. Vance Denton and children, all of Pahokee.

Yvonne Lee Gets BS Degree At U of F

Mrs. Yvonne Fraser Davenport, daughter of Mr. and Mrs. L. J. Fraser of Pahokee, will be among the graduates who will receive degrees from the University of Florida at the graduation exercises in Gainesville, Aug. 10. She will receive a BS degree in business administration.

Mrs. Davenport graduated from Pahokee High School in 1949 and was a member of the Alpha Chi Omega Sorority at U of F, serving as house manager for one year. She was also secretary of the Business Woman's Club at the University. She has accepted a position in the executive offices of the University until her husband graduates next year.

Mr. and Mrs. Fraser, accompanied by his mother, Mrs. Julia Fraser, plan to attend the graduation exercises.

Sport Shop Will Move To New Spot

Mac Carter's Canal Point Sport Shop will be moved into new quarters on Sept. 1. Mr. Carter said this week. He has leased the building owned by R. W. Sanders on the corner across from Harlan Sears's service station in Canal Point. Mr. Carter plans to move his sport shop and add another line—soft drinks, food and coffee. He said that light breakfasts will be served. A ten foot addition is being built on the building this week in order that more space will be available for the store.

Music Festival Baffles C of C Group

The resignation of Homer J. Clause as a director of the Pahokee Chamber of Commerce was accepted by the executive board at a meeting in the chamber office Monday night. Mr. Clause, former sales manager of the Everglades Growers Cooperative and a charter member of the chamber, moved from Pahokee recently with his family to make his home at Lake Kerr near Ocala.

The proposed Pahokee music festival was discussed but the board was not prepared at the meeting to commit the chamber as a sponsor of the festival and action on this issue was postponed.

The group voted to join the executive organization of the Florida Chamber of Commerce. Read at the meeting was a letter from the state organization urging Pahokee business men to observe Columbus Day, Oct. 12.

It was reported automatic warning lights are being installed by the Florida East Coast Railway Company at the East Main Street Crossing in Pahokee.

Announcement was made that the chamber office will be closed from Aug. 15 to Sept. 1. The next meeting, scheduled for Monday, Sept. 7, which is Labor Day, will be held, instead, on Tuesday, Sept. 8.

1 Killed, 11 Injured In County In July

One person was killed and 11 injured in the 43 traffic accidents occurring in Palm Beach County through July, according to the monthly report of the State Department of Public Safety released at the Pahokee district office of the Florida Highway Patrol. Property damage in these accidents was estimated at \$23,900. This is the best record of traffic accident casualties reported in Palm Beach County in several months.

In addition to investigating these accidents FHP officers made 83 arrests for law violations in Palm Beach County during July, issued 186 written warnings of improper driving and 197 warnings of faulty equipment, assisted 94 motorists in need of help on the highways, delivered 17 talks on public safety and gave examinations to 861 applicants for driver licenses, of which 465 passed, 276 failed and 120 did not complete their examinations.

Pahokee Lions Hear Coach's Report

A review of the six weeks' summer recreational program which ended at the Pahokee city park on July 31 was given by William D. Howard, coach and recreational director, at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by Clyde A. Canipe, program chairman, the speaker said swimming proved to be the most popular form of recreation in the Pahokee program. There was a total enrollment of 91 children in the beginners swimming classes, 26 in the primary classes and 40 in the intermediates classes, making a total of 157 children who were taught swimming lessons in the Pahokee pool this summer. Thirty-one children enrolled in the archery classes, 15 in the tennis classes and 30 boys took part in the soft ball league games.

Howard said if a bridge is built over the canal separating the park from the Lake Okechobee levee, lake waters will become accessible and it would be practical to add water sports to next summer's recreational program. He also spoke of plans to add arts and craft, camping technique and trampolining in the 1954 program.

Following Howard's talk the Rev. W. Hal Hunter introduced members of the First Baptist Male Quartet who sang two numbers. President Curtis Chase presided.

Wildlife Director Speaks To Lions

Curtis Wright, wildlife director for the Florida Game Commission stationed at Okechobee, was guest speaker at a meeting of the newly organized Lake Okechobee Sportsmen Club in the Pahokee city park Tuesday night. In his talk Wright gave Glades sportsmen some pointers on how their club can help improve hunting and fishing conditions in the Lake Okechobee region and at the same time assist the commission in its overall conservation program.

Welcomed as new members were Hilton Jones, Pope Sears, Leo Maxwell Herbert Worth, Gene Butler, J. V. Thomas, C. G. Willis, B. C. Sims and R. T. Smith.

Following the meeting the group enjoyed an old-fashioned Lake Okechobee catfish supper complete with hushpuppies and trimmings. President C. E. Williams, Gene Butler and M. C. Carter were in charge of supper arrangements.

Baptist Circles To Meet This Week

Circles of the Pahokee First Baptist Woman's Missionary Society are planning meetings for next week. The Lucy Jones Circle will meet at the home of Mrs. E. S. Parnell Monday at 3:30 p. m. The Nina Briggs and Pay Taylor Circles will meet jointly at the church Tuesday at 3:30 p. m., with Mrs. W. H. Key acting as hostess. A joint meeting of the Elsie Knight and Helen Hayes Circles will be held at the home of Mrs. Dave W. Young at 8 p. m.

Capacity Crowd Attends First Service In The Canal Point Methodist Church

Bible School In Pahokee August 15

The registration of children for the Vacation Bible School at the Pahokee First Baptist Church will take place at the church Saturday, Aug. 15, at 1 a. m. The Rev. W. Hal Hunter will serve as principal for the school which will open Monday, Aug. 17, and continue through Aug. 28.

Lions Induct Two New Members

Dr. Salvatore Williams and Julian Branch were received as new members of the Canal Point Lions Club at the regular weekly dinner meeting in the Community Park building. A. R. Harrington, past president of the club, was in charge of the induction ceremony.

Harrington introduced Sgt. Dave Fuggett, USAF, member of the sear crash rescue squadron stationed at Canal Point who represented the Canal Point Club at the Lions International Convention in Chicago. Fuggett completed his report on the convention, then announced that he is being transferred this month by the USAF from the Canal Point station to England. The Club honored Fuggett by voting to make him a member-at-large.

Following the meeting the board of directors, with President Delmar L. Hooks presiding, named Gauden Harrington, Lion tamer and A. R. Chastain membership chairman, to fill club office vacancies resulting from Fuggett's transfer.

Former Resident Hurt In Plane Crash

John L. (Bubber) Waring, 20, son of Mr. and Mrs. Ben S. Waring, former Pahokee residents now living in Madison, Fla., was seriously injured and his fiancée, Miss Margaret English, of Greenville, Fla., was killed in a private plane crash, two miles northwest of Madison Sunday, according to word received here by friends. It is reported John suffered two broken legs, a broken jaw and possible internal injuries. More than a year ago John was in a car accident near Madison in which he suffered severe injuries and a girl companion was killed.

Both John and his brother, Howell, attended the Pahokee School before the Waring family moved to Madison seven years ago. While living in Pahokee the Waring made their home at 310 East Main in the residence now occupied by the Graham Mole family.

Overall construction surged ahead in even greater volume than last year's record rate, despite predictions that the pinch on mortgage money could well bring a drop in housing production, Architectural Forum reports.

A capacity congregation which overflowed into the aisles attended the first service in the newly completed \$25,000 Canal Point Methodist Church building Sunday morning.

The service was under the direction of the new pastor, the Rev. E. William Palmer, who was assisted by the Rev. James R. Roy of Miami, immediate past pastor; the Rev. Oliver Hatfield of Canal Point, former pastor of the church, now retired, and Walter Oldford of West Palm Beach supply minister to the Canal Point church. The Belle Glade Methodist Church was represented at the service by W. R. Hooker, fraternal delegate.

Letters of congratulation were read from other church officials who were invited to participate in the service but were unable to attend. These included Dr. J. H. Daniel, Lakeland; Dr. C. Cotton, West Palm Beach; the Rev. W. T. Blair, West Palm Beach; the Rev. Earl J. Jones, Okechobee, and Mrs. E. S. Doherty, Stuart.

The Rev. Palmer introduced A. R. Harrington, chairman of the building committee, who publicly thanked everyone who assisted in making the church building a reality, giving special recognition to Charlie Yoeman, construction superintendent, and Chester Cone, architect; also to the Woman's Society of Christian Service and the Sunday School group for their contributions to the interior furnishings and the landscaping of the grounds.

A new electric organ, presented to the church by the Rosenberg family in memory of the late Harold Rosenberg, was used for the first time during the service. A pair of altar candle holders was presented to the church by the W. P. Jernigan family, former members now living in Clewiston.

An enlarged choir furnished special music and the altar was decorated for the first service with baskets of mixed flowers, gifts from Mr. Cone and Sadie's Flower Shop.

Members of the WSCS acted as hostesses at the fellowship dinner for friends and out-of-town guests immediately following the service. The dinner was held in the nearby Community Park building, with approximately 300 attending. Mrs. Earl Maxson and Mrs. Donald Kepp were in charge of dinner arrangements for the WSCS.

Ranchers Supply Store Is Closed

Ranchers Supply Store in Canal Point closed this week and the stock was moved out by the owners and operators, Arnold Barad and James Gibson. The store was opened several months before Christmas in the Rardin building in the room formerly occupied by the post office. The room is for rent and anyone interested should call Paul Rardin at 2661 or 3151.

Cinematic Chatter

By Malcolm Millar

Hello everybody! One of the most delightful surprises in "Titanic", soon to be seen here, is the appearance of Thelma Ritter on deck of the famous luxury liner keeping company with the Astors, Guggenheims, Wideners and Strauses. Not that all this has changed friend Ritter who is the first to admit she's no glamour girl even if she has an unusual role in the dramatic filmization of the fateful voyage of the Titanic which collided with an iceberg in the North Atlantic and sank on its maiden voyage. What she doesn't know is if her usual wacky parts bring her wacky fans but as she says, "I've got some busts." In face-to-face meetings with her supporters the gist usually is, "Oh you're Miss Ritter aren't you?" followed by the deflating, "What have I seen you in?" or "You're in pictures, aren't you?" with the ego-crushing, "Which one are you?" Because she frequently has portrayed the wisecracking confident of the feminine star, she says her fans expect her to be both funny and sympathetic. A large plenty of time and thought to giving answers," she commented, "but I have yet to receive a thank-you note for my solutions. I can't make up my mind if that is the result of my suggestions being very good or very bad." Miss Ritter's cleverness and natural style has gained her a large following both in pictures and radio. See you at the movies—Mal.

Pahokee, Florida

TO THE EDITOR:

I regret very much that Pahokee's Low Rent Housing Project is tabled or dead.

As you know, our reason for trying to get the project was to improve and add more housing in this area.

If there had been any negligence on the part of the City Administration in acquiring this project, I would readily admit it.

I feel that we, as part of a fast advancing civilization, should take this as a challenge and, individually and or collectively, do everything possible to improve this condition.

Very truly yours,
Lewis Friend.

Constable and Mrs. Francis Cross are spending several days at Safety Harbor, Fla.

Visit Cane Station

During the past week, the following were official visitors to the Federal Sugar Cane Breeding Station at Canal Point:

Dr. Cecil H. Wadleigh, head physiologist in charge, Division of Sugar Plant Investigations, U. S. Department of Agriculture, Washington, D. C.;

Dr. E. V. Abbott, principal pathologist in charge, U. S. Sugar Plant Field Station, Houma, Louisiana; accompanied by Mr. Robert E. Coleman, sugarcane physiologist, with headquarters at the same station.

Carl O. Grassel, botanist, Division of Sugar Plant Investigation, Beltsville, Md. Mr. Grassel for the past several years has spent the winter season at Canal Point handling the sugarcane breeding activities. These officials participated in a field day program held by Florida sugarcane growers at Sugarland auditorium in Clewiston on July 21 and later attended division staff conference at the Canal Point station with B. A. Belcher agronomist.

Bill Jernigan spent a few days in Canal Point this week with Mr. and Mrs. A. R. Harrington before going to Geneva, N. Y., where he will report for service in the Air Force. After ten days there he will be stationed in Bartow.

Will Work For New Industrial Plants

JACKSONVILLE—Civic leaders from throughout Florida will assemble in Orlando on August 27 to pool their ideas and knowledge for bringing new industrial payrolls to the state.

Sponsored jointly by the Florida State Chamber of Commerce and the Council for Industry and Commerce, the meeting is designed to help large and small Florida communities learn what they can do to obtain new industry.

Council Chairman A. D. Davis, president of the Winn & Lovett chain of supermarkets, will be the principal luncheon speaker. The remainder of the program will take the form of panel discussions in the morning and afternoon with specialists in industrial development making brief prepared talks.

State Chamber President Earl W. Brown of DeLand said the session will be a cooperative undertaking. "This is the first meeting of its kind ever held in Florida. We will have men on our panels who can answer questions about the specific problems each city and town encounters when it goes after new manufacturing payrolls."

Serving with Davis on the Council's community service committee are S. Kendrick Guernsey of Jacksonville, president of the Gulf Life Insurance Company; Robert E. Gregg of Gainesville, a former vice president of the United States Steel Corporation; Benton W. Powell of Sarasota, president of the Palmer First National Bank; Harold Cole, executive vice president of the State Chamber; and Dr. George B. Huff, director of the Bureau of Business and Economic Research at the University of Florida.

The Council is a group of leading businessmen, assisted by technicians from a number of state agencies and from the institutions of higher learning. Its members serve on a volunteer basis and the Council has no paid staff or office.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over; the nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, strength is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

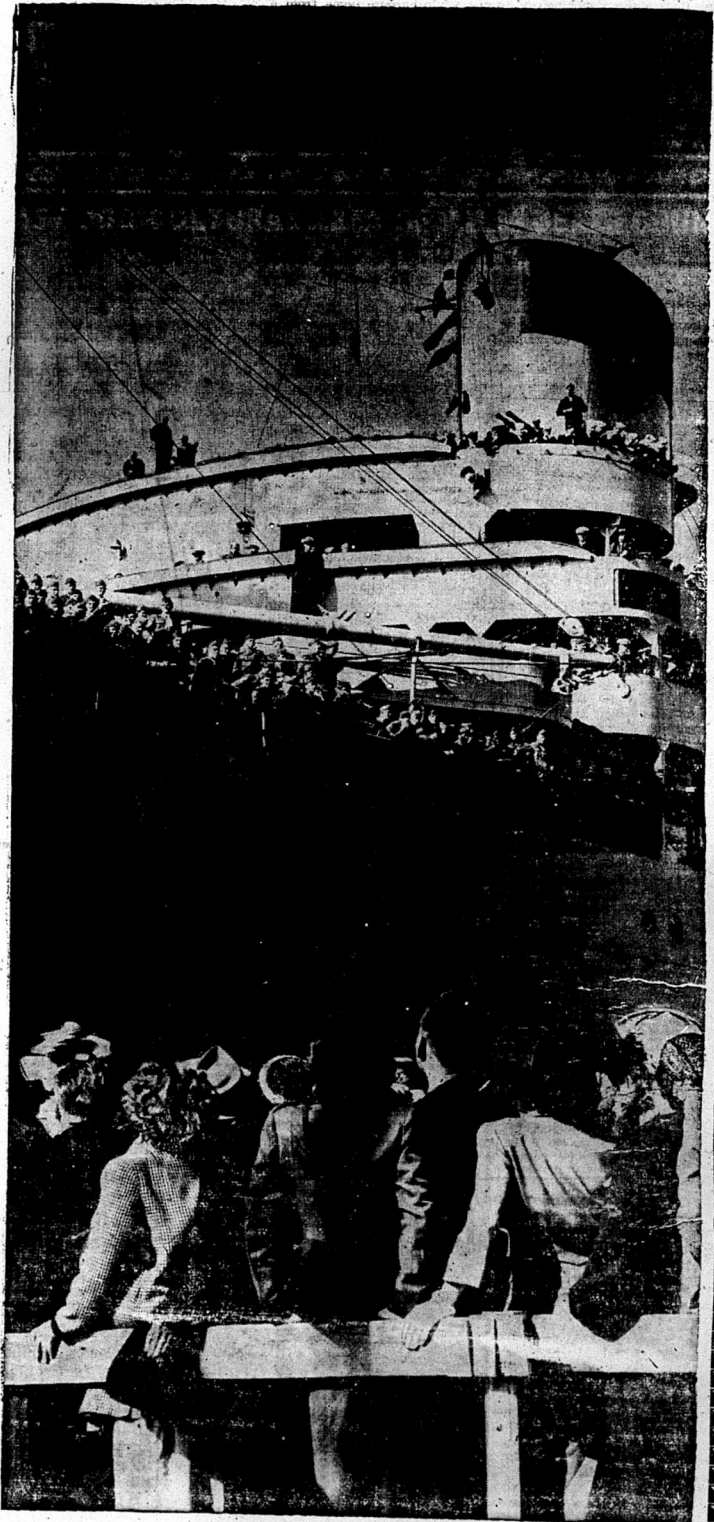

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

DO YOU REMEMBER?

HAPPENINGS IN THE LAKE OKEECHOBEE REGION

25 YEARS AGO

The TTT boat did not leave Canal Point for Clewiston yesterday, although the bus came in on time. It is understood the Clewiston Company will not send out a lighter boat any more to take passengers from the boat to the mainland and the captain of the boat says the channel is too narrow to turn in if he enters and goes to the dock.

East Beach 5, Shawano 4—With the score tied in the ninth inning, East Beach won from Shawano yesterday in the eleventh inning by making two runs. John Thomas is credited with winning the game.

Bad spots in oiled roads in the fifth commissioner district are being repaired to protect them from erosion during the rainy season. A mowing machine is being used to hold down weed growth on road shoulders.

W. W. Williams of West Palm Beach is clearing ten acres of the A. B. Atwell land two miles north of Belle Glade and building a camp house. He is the father of W. A. Williams who bought five acres across from the pool hall at Pahokee and subdivided it. W. A. will farm 15 acres in Pahokee district.

J. C. Cone and Mrs. W. C. Shields of Canal Point were married yesterday at Stuart. They will make their home at the Shields place north of town. Mr. Cone is a long-time resident of Canal Point, widely known as a successful farmer. He and his wife are to return home in a few days and will be warmly congratulated and receive the best wishes of a host of friends.

A unanimous vote was cast at Belle Glade Monday for grant of a franchise for a light and power company to a private company in preference to a municipally owned plant.

Mrs. Charles Moran has leased her store in Pahokee, the Padgett store, to J. H. Cason, who took possession this week. Mr. Cason has long been a resident of Pahokee and has been connected with

several of the mercantile establishments from time to time in various capacities.

Belle Glade—A party which included Hans and Fritz Stein and J. C. Cherry, have gone to Cocoa on a deer hunt.

A large force of men are busy putting the base ball diamond, located in the rear of the school building, in good shape.

Mrs. L. T. Creech and children and Miss Greer returned Tuesday from a six weeks vacation trip spent in the mountains near Asheville, North Carolina.

At the box supper and dance given at the American Legion hall last Friday evening, \$125 was made for the benefit of the base ball team.

The wedding of William M. Dowling and Eve Jane Butler was performed at the home of the parents of the bride. The witnesses were the families of the bride and groom. The ceremony was performed by the Rev. Paul C. Filley.

Harold Rosenberg has returned to his work with the sugar company after a vacation in Cuba. His wife accompanied him on the trip. They had a letter of introduction to a resident of Havana and were provided with a car and a driver-interpreter which increased the pleasure of the trip.

Miss Irene Batchelor of Colquitt, Georgia, called this week on her brother, Roy Batchelor, manager of the Canal Point Drug Company. She had come down to Pahokee when her aunt, Mrs. T. S. Spooner, returned to Pahokee from a visit to Colquitt.

A most delightful birthday party was given July 26 by Mr. and Mrs. Pickren of Pahokee, formerly of North Carolina, at the home in honor of the 63rd birthday of Mr. Martinez and the 4th of Eugene Pickren.

The Kaltenbrunners are now in Hot Springs, Arkansas, where they expect to spend two weeks, going from there to Oklahoma.

Charley Barfield and daughter Elise of West Palm Beach arrived Saturday for a short visit with S. A. Barfield and family.

Mr. and Mrs. J. B. Crosby, daughter Lois and son Lewis, are back from their trip north. They visited his sister, Mrs. W. Corbitt, in Georgia and another sister, Mrs. S. E. Boel, of Hammond, Indiana. They also spent a few days in Chicago.

Mr. and Mrs. W. F. Buchanan returned the first of the week from a vacation trip of four weeks to Atlanta and other points in Georgia.

When Mr. and Mrs. W. H. Vann came through Bartow last week on their way home from Georgia they met Lamar Rocker, formerly of Canal Point, who is the Buick agent at Bartow. Lamar is the son of W. C. Rocker, an early settler

on East Beach, who now divides his time between the lake and the county seat.

James Nicholson, a county commissioner of Hendry County, was married recently at Pekin, Indiana. On his return to LaBelle a charavari party took him to the Everett Hotel bathing pool to duck him but the pool had been drained and when Mr. Nicholson dived his head hit the cement bottom and he was badly but not seriously hurt.

This demonstration
showed me the way
to a better deal!

I'd been planning to buy a higher-priced car until
I found out all Chevrolet offered—
and how much I could save!

You get more power
on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide® models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrifty-King" engine.

And it's the
lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You get greater getaway
with the new Powerglide®

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response — right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-

Christian Science Group Of Canal Point

Theme of Christian Science services next Sunday, when the subject of the Lesson-Sermon is "SPIRIT", is that the one eternal, all-inclusive God is the only Spirit.

The Golden Text is from I Corinthians (2:12): "Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God."

Scriptural selections include: "And Simon's wife's mother was taken with a great fever; and they besought him for her. And he stood over her, and rebuked the fever; and it left her" (Luke 4: 38, 39).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Jesus established his church and maintained his mission on a spiritual foundation of Christ-healing" (p. 136).

"The supremacy of Spirit was the foundation on which Jesus built" (p. 138).

Harper - Pickett

Announcement has been made of the marriage of Miss Wanda Lou Harper, daughter of Mr. and Mrs. Quincy Harper of Tipton, Ga., and John Turner Pickett, Jr., son of Mr. and Mrs. John T. Pickett, Sr., of Pahokee. The wedding took place in Tipton Friday, July 31.

The bride attended Pahokee High School and graduated from Tifton High School.

Mr. Pickett is a veteran of the Korean War. He enlisted in the U. S. Marine Corps following his graduation from Pahokee High School and served four years with the Marines. He was wounded in action in Korea and was released from the service last summer. During the past year he was a first-year student at the University of Florida where he plans to major in civil engineering.

Beaurie A. Russell of Orlando was a business visitor in the Glades area Tuesday and Wednesday before joining his family at Blowing Rock, N. C., where they are vacationing.

Dog Tracks Rich

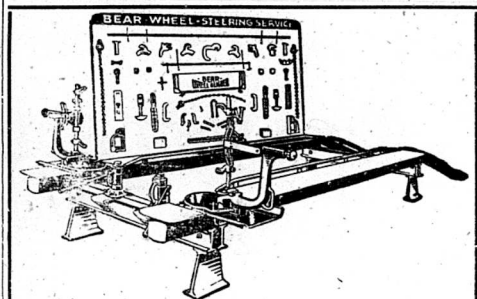

TALLAHASSEE—Testimony in Leon County Circuit Court reveals that the Volusia County Kennel Club, Daytona Beach dog track, cut down its income taxes last year by writing off amounts for depreciation of a yacht and three Cadillacs.

The testimony was given by Bernard Tytell, Miami, accountant, in connection with the suit by the Volusia and Biscayne dog tracks, in opposition to the 1953 legislature's new schedule of higher track taxes.

To Outline Plans

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

**If you want to be paid
your interest as current income—
invest in 3% Series H**

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Business Improves

FT. LAUDERDALE — The 10,000th passenger to fly Mackey Airlines which operates between West Palm Beach, Ft. Lauderdale and Nassau, boarded a blue and silver plane recently for a flight to Nassau.

Celebrating the event, airline president Col. Jos. C. Mackey presented passenger Milton N. Weir with a scroll, and on his arrival in Nassau he was entertained by the Nassau Development Board.

The airline has flown 2,000,000 passenger miles since it was established six and a half months ago.

Up Go Phone Rates

TAMPA — Talk won't be as cheap as it has been in the Tampa Bay area. Carl D. Brorein, president of the Peninsular Telephone Company, announced this week that the Florida Railroad and Public Utilities Commission had granted his company permission to increase pay station rates from 5 cents to 10 cents.

Southern Bell was granted such permission for pay stations in its area nearly a year ago, he pointed out. Date that the new rate goes into effect will be announced shortly. There are approximately 3,000 pay stations in the area.

Engineers Lowering Level Of The Lake

JACKSONVILLE — Army engineers said Tuesday they had started releasing water from Lake Okeechobee through St. Lucie Canal because of the high water level in the lake.

Col. H. W. Schull Jr., district engineer, said the high water level resulted from heavy rainfall over the tributary area and increased pumping from the agricultural area to the lake.

Partial release of water through the Caloosahatchee River began Monday and was stepped up to full volume Tuesday. The discharge through the canal and river will continue through August, or as long as necessary.

The University of Miami Marine Laboratory during the release is making a study of the effect of discharged water on marine life in the Stuart and Fort Myers areas, engineers said.

Because that's all the money it takes to buy this great new 1953 Buick SPECIAL.

That's all it takes to boss its high-compression Fireball 8 Engine—now stepped up to the highest horsepower in Buick SPECIAL history.

That's all it takes to enjoy its still finer Million Dollar Ride—its full six-passenger roominess—its light-as-a-flyrod handling ease.

But if you're surprised at this news, we can't blame you a bit.

Most people are—when they learn that you can get Buick styling, Buick structure, Buick room and power and comfort and steadiness, all for just a few dollars more than the cost of the so-called "low-priced three."

Add another happy surprise.

In this Buick you get a long list of "extras"

at no extra cost—things like direction signals, dual map lights, twin sunshades, lighter, trip-mileage indicator, automatic glove-box light, oil-bath air cleaner, full-flow oil filter, bumper guards front and rear—things most other cars of similar price charge as extras.

So there you are—definitely able to move right into this big, broad, robust-powered Buick for a price you'd expect to pay for a lesser car.

Why not drop in on us to see and drive this honey of a buy? The rest we'll leave up to you.
